

2023-2024 CCPC Board Election

CCPC has had a very busy year with child care issues in Kansas and there is a lot of work left to do. It is important for providers to stay up to date on the latest issues and be involved in the decisions that are being made that affect our profession. CCPC will continue to work hard to support providers and advocate for the needs for not only providers but the families they care for.

It is time for YOU to vote on your 2023-2024 CCPC Board!

Please place your vote on our incoming board and share your ideas on what you would like us to work on for the upcoming year.

CCPC would love your help to make our organization the best it can be!
