REGIONAL PROFESSIONAL DEVELOPMENT

CCPC is excited to introduce a new program designed to offer a wide variety of professional development opportunities to providers across the state. Many of our members have expressed concern about meeting the new requirements for training hours, and we have been listening. Our goal is not only to offer enough workshops to help providers meet the required hours, but also to inspire providers to reach for a higher level of professionalism and quality in their programs. PROVIDER OF THE YEAR NOMINATIONS

The Provider of the Year Award is presented annually at the CCPC Conference.

Being selected as a Provider of the Year is not an easy task, but a well-deserved award. It begins by someone nominating a deserving provider.

The Child Care Provider's Coalition of Kansas honors the Provider of the Year as the standard for excellence in our state. These providers exemplify the high level of quality in child care that CCPC promotes.

Do you know someone that deserves this award?

The nomination application is available online for your convenience.

HUNTER ADVOCACY AWARD NOMINATIONS

This award is reserved for someone who has shown outstanding devotion and dedication in supporting family child care providers in Kansas.

Someone whose leadership has promoted quality standards in the field.
